TennCare Branded Drugs to Be Classified as Generics

November 1, 2026

These agents, although brand name drugs, will:

- Carry a generic co-pay; **AND**
- Not count towards brand prescription limits

Please note that these agents are subject to change at any time due to availability of more cost-effective multi-source products, or changes in the marketplace as identified by the TennCare Pharmacy Program.

Counts As Generic Agent Towards Prescription Limits	Does Not Count Toward Prescription Limits (included on Auto-Exempt & Attestation Drug List)
