

TennCare: Over the Counter (OTC) Supplements Formulary

Effective April 1, 2026

This list contains OTC supplement products covered by TennCare. Please refer to the criteria listed below for coverage information including prior authorization (PA) and quantity limit (QL) details. Please review the [Criteria for OTC Products](#) and [Criteria for Medical Foods](#) listed on the Optum Rx/TennCare website for details.

OTC drugs are listed on the TennCare OTC Drug Formulary found on the Optum Rx/TennCare website:

<https://welcome.optumrx.com/tenncare/landing>.

Pharmacies may dispense any NDC available from the pharmacy's wholesaler. Certain nutritional supplements, infant formulas, and diabetic supplies will still be covered by specific NDCs and noted on their specific formularies.
