

How to order your free blood glucose meter

Regular blood glucose testing can help you manage your diabetes and may lead to better glucose control

Take advantage of this great offer

CalPERS Plans offer a Free Meter Program. With this program, you can get a blood glucose meter at no charge. Your plan now covers both CONTOUR® and Accu-Chek®meters and test strip products as preferred. **Starting Jan. 1, 2026, Accu-Chek will be the only preferred product option.**

How to get your free meter

1. Discuss with your prescriber and select the meter that is best for you.
2. Once you decide, present the below meter information to your pharmacy. You will need a valid prescription for the meter and test strips from your provider. You can get your free meter at a retail pharmacy.
