

Maintenance drug list

Effective Jan. 1, 2026

This is a list of the most commonly prescribed maintenance medications.

This is not a complete list of all the covered maintenance medications. Call the number on your member ID card if you have questions about a specific medication not on this list or about how to fill prescriptions.

Each drug on the list has the tier listed. Tiers are the different cost levels you pay for a medication. Each tier is assigned a cost, set by your employer or plan sponsor. Additional tier information is available on the Preferred Drug List.

Important Note for Standard PPO or High Deductible PPO Members: After three 30-day refills of a maintenance drug, you must fill your maintenance medications as a 90-day supply, either through a mail order pharmacy or a participating 90-day retail pharmacy.
