

Maintenance drug list

Effective July 1, 2025

This is a list of the most commonly prescribed maintenance medications.

This is not a complete list of all the covered maintenance medications. Call the number on your member ID card if you have questions about a specific medication not on this list or about how to fill prescriptions.

In this drug list, some medications are noted with letters next to them to help you see which ones may have coverage requirements or limits. Your benefit plan decides how these medications may be covered.

SP Specialty medication – Medication is designated as specialty.
