

### **Where to buy FDA-authorized at-home COVID-19 test kits**

Bring the COVID-19 test kit(s) to the pharmacy counter at one of the preferred retail pharmacies listed below. Present your member ID card and ask to have the kit(s) submitted to your plan for coverage. Your plan covers up to 8 kits per covered person per calendar month.

- Bartell Drugs
- Kinney Drug's
- Rite Aid Pharmacy
- Sam's Club Pharmacy
- Duane Reade
- Walgreens
- Walmart

### **How to get reimbursed for FDA-authorized at-home COVID-19 test kits**

If you buy COVID-19 test kit(s) and pay out-of-pocket, you may be reimbursed. You will need to submit a pharmacy claim form. To get reimbursed up to \$12 per test kit (up to 8 kits per member/per calendar month), complete an online form at [dmrforms.optumrx.com/online-claim-form](https://dmrforms.optumrx.com/online-claim-form).
