

# Get the medication you need, when you need it – your way

## How the Mail Service Member Select program works

Your plan includes Mail Service Member Select™ to help you save on medications you take regularly. Now, you need to make a choice between using Optum® Home Delivery Pharmacy and staying with your retail pharmacy to keep your full coverage. Visit [welcome.optumrx.com/calpers](https://welcome.optumrx.com/calpers) to make your decision. If you don't make this choice soon, you could pay the full price for your medications after your limited grace fills at retail run out.

### Compare your options

With **home delivery**, you can:

- Get a 3-month supply delivered right to you with free standard shipping
- Talk to a pharmacist 24/7
- Skip the pharmacy line

On-the-go or close-to-home, your plan includes many **network retail pharmacies**.

- Choose from thousands of locations
- Meet with a pharmacist during store hours
- Shop for other in-store health care items
