About Harvard Pilgrim's formulary

Harvard Pilgrim's formulary is a list of therapeutically safe and effective medications for treating most common medical conditions. The list is continually updated to incorporate the most recent decisions of Harvard Pilgrim's Pharmacy Services Department and our Pharmacy & Therapeutics Committee.

Harvard Pilgrim's Value ConnectorCare 3-Tier Prescription Drug Program

Covered medications are categorized in one of the three tiers described below. Our tiered benefit structure encourages patients and physicians to discuss pharmaceutical treatment options and choose the drug that is therapeutically appropriate. This kind of patient/physician dialogue is an important component in promoting quality, cost-effective care.

How do I use my Value ConnectorCare 3-Tier Prescription Drug List?

The following list is alphabetical, with a coverage indicator listed to the right of the drug name. To find out how we cover a drug you are currently taking:

1. Under "Drug," look up the name of your medication.
2. Once you find the medication, check the coverage indicator to the right of the drug name.

Coverage indicator	Description
\$0	Drug may be covered without member cost sharing for some benefit plans.
Tier 1 (\$)	Tier 1 is made up of generics only. These drugs contain the same active ingredients as their brand-name counterparts.
Tier 2 (\$\$)	Tier 2 is primarily made up of preferred brand name drugs that have no generic equivalents available. These drugs have been selected by your plan because of their overall high value based on a review of the relative safety, effectiveness and cost of the many brand name drugs on the market. Tier 2 may also include some generic drugs that have lower-cost or over-the-counter alternatives available.
Tier 3 (\$\$\$)	Tier 3 is primarily made up of preferred specialty drugs and non-preferred brand name and specialty drugs. Tier 3 may also include some generic drugs that have lower-cost or over-the-counter alternatives available.
Medical (MD)	Drug covered under medical benefit and may be obtained at a retail pharmacy.

Please note: Some plans may require you to pay a deductible for prescription medications before copayments and/or coinsurance apply. Refer to your Prescription Drug Brochure for details.

Maintenance medication opportunities

You can fill a 90-day supply of maintenance medications at retail pharmacies. Ask your pharmacist if your prescription is able to be converted to a 90-day supply to decrease your trips to the pharmacy.

Mail Order Pharmacy available from Optum Home Delivery

You can use Optum® Home Delivery to have a 90-day supply of maintenance medications delivered to your home. Standard shipping is free. To get started, visit [harvardpilgrim.org/rx](https://www.harvardpilgrim.org/rx) or call Optum Home Delivery at **(855) 258-1561** (TTY: **711**). Be sure to have your Harvard Pilgrim ID number, prescription number(s) and credit card information ready when you call.

Request an Exception

If your doctor decides it is medically necessary for you to take a drug not listed, they can submit a coverage request to Harvard Pilgrim through the Medical Review Process. If your doctor wants you to take a medication that your plan doesn't cover or limits, visit [harvardpilgrim.org/rx](https://www.harvardpilgrim.org/rx) or call Member Services.

Medical Review

Harvard Pilgrim has pharmacy programs in place to help manage the pharmacy benefit. Requests for medically necessary review for coverage of drugs included in the New-To-Market Drug Evaluation Process (NTM), Prior Authorization Program (PA), Step Therapy Program (ST), or Quantity Limitations Program (QL) should be completed by the physician and sent to Harvard Pilgrim. Drugs excluded under your pharmacy benefit will not be covered through this process. The request must include clinical information that supports why the drug is medically necessary for you. Harvard Pilgrim will approve the request if it meets coverage guidelines.

If Harvard Pilgrim does not approve the request, you have the right to appeal. The appeal process is described in your benefit document.
