

State of NJ mandatory mail maintenance drug list

Alphabetical by **generic name** as of May 2026, subject to change

Please note that these are the medications that are required to fill at Home Delivery after two 30-day retail fills. Not all medications will be covered by all plans and existence on this list is not a determination of coverage but rather a listing of medications requiring the use of Mail order. To determine coverage for a specific medication under your plan you should utilize the prescription drug list search tools available on optumrx.com or through the OptumRx app.
