

TennCare Pharmacy Department
2024 Pharmaceutical Industry Meetings

Thank you so much for your meeting request! In the interest of making the best use of our time together, we respectfully invite you to observe the following when confirming availability and/or attendance:

- Meeting dates will be determined by the agenda and priorities of the TennCare Pharmacy Department.
- A proposed agenda must accompany the meeting request and is subject to review. If it is determined that the request can be handled without meeting, the requestor will be notified. If the meeting is approved, and at the TennCare Pharmacy Department's discretion, only the subject matter contained in the original meeting request may be discussed during the meeting.
- Meetings and requests for meetings outside of designated intervals are discouraged. In general, a meeting will be reserved for new and relevant information. **Meetings will not be granted for the purpose of introductions.** Scheduled Drug Utilization Review (DUR) Board and Pharmacy Advisory Committee (PAC) meetings are open to the public and are the ideal time to meet the TennCare Pharmacy team members.
- Meeting dates for 2024 include January 26th, March 22nd, April 26th, June 28th, July 26th, September 27th, October 25th, December 13th with 25 – minute slots between the hours of 8:00 and 11:30 am CST. Sign-up requests for meetings will be submitted during the month a PAC meeting is held for the following two months to provide each manufacturer with enough time to assess timeliness of product availability or upcoming PAC review. For example, during the month of February, a sign-up link will be sent for meeting times in March and April.
- In the event of cancellation by either party, the TennCare Pharmacy team will make an effort to reschedule within the immediate quarter.
- Sign Up link for March and April 2024 -- <https://strawpoll.com/PbZqROE70yN>

Thank you,

Tracey B. Lovett, PharmD
Director of Clinical Pharmacy Services
